Antalya/TURKEY

Who are we?

Antalya Diplomacy Forum is a high-level gathering of professionals that deal with diplomacy such as political leaders, diplomats, opinion makers or academics. It presents an excellent platform for regional and global actors from the spheres of diplomacy, policy, and business to exchange ideas and address international challenges.

Diplomacy remains the core method of communication among leaders and states. There is a whole set of other structural and systemic changes in the international environment that the diplomacy profession should respond to.
